

SHARED TWO BEDROOM SUITE

- Each client will have their own private bedroom and bathroom and share a common living area with their roommate.
- The shared suite floorplan is the standard option for the Futures core program price.

PRIVATE ONE BEDROOM SUITE

- Clients who elect to upgrade to a private suite will have their own bedroom, bathroom, and living area.
- The private suite floorplan requires an upcharge of \$10,000 to the Futures core program price.

NOTES

- o All rooms at Futures are gender-specific. Men & women participate in daily therapy activities but do not share living spaces.
- o Private suites are available in a single bedroom layout (pictured) or a studio layout.
